EPISCOPAL CHURCH

CHORAL & ORGAN MUSIC

SEPTEMBER-DECEMBER 2019-2020

1475 CATALINA BLVD.

SAN DIEGO

CALIFORNIA

IF we consider and ask ourselves what sort of music we should wish to hear on entering a church we should surely, in describing our ideal, say first of all that it must be something different from what is heard elsewhere; that it should be a sacred music, devoted to its purpose, a music whose peace would still passion, whose dignity should strengthen our faith, whose unquestioned beauty should find a home in our hearts, to cheer us in life and death; a music worthy of the fair temples in which we meet and of the holy words of our liturgy; a music whose expression of the mystery of things unseen never allowed any trifling motive to ruffle the sanctity of its reserve. What power for good such a music would have!

Robert Bridges 1844-1930 (Poet Laureate of Great Britain)
